MADAME'S CORNER AND SOCIAL GATHERING INFO

Please join us for an afternoon social in the pavilion at Camp Delta on Friday, April 20, 2012 at 2:00 P.M. Last year we all enjoyed a relaxing afternoon getting better acquainted, singing songs, enjoying wine, beverages and snacks.

All our ladies, families, friends and children are invited. You can come in a vintage dress, military uniform, wear something fun or come as you are. Everyone is welcome to join in the fun.

Please bring your favorite bottle of wine, sparkling cider, soft drink or other beverage to sample and taste.

Please bring an appetizer or sweet to share too. I'll bring the paper goods and some surprises too!!

I'll bring songbooks and we can enjoy singing some of our favorite songs. We will have extra tables available if you would like to display your hobbies; jewelry making, lace making, scrapbooking, knitting, or other activities.

If you want to offer a workshop, class or other specialty service at your campsite, please submit an article to the MVCC News or have flyers with the information at Camp Delta.

Our social afternoon together is to have fun, sing, relax, visit, make new friends and enjoy a glass of your favorite beverage and snacks.

If you have photos of past MVCC and Madame activities, please bring them to share. Thank you to our Madame's for these great ideas!!

If you have any questions, please send me an email at:
mccluske@sbcglobal.net.

Presidents Message, February 2012

When the MVCC board was concerned with the rising costs of postage we decided to cut back on the number of issues we were producing per year, that and there are some months where there just wasn't enough activity to warrant an issue. We were called on the carpet and enough comment ensued that we conceded and have gone back to 12 issues per year. The fact that Dave has done such a great job of holding costs in line have made this commitment easier for the MVCC and until circumstances cause us to look at our Newsletter again we will have an issue per month. We are already online with the Newsletter and many of our members have requested the eNewsletter versus hardcopy. I have made the commitment to every member that we will deliver the newsletter as you want it. The Newsletter gets posted on the MVCC website a few days after the hardcopies go out to give everyone equal access to the advertising. If you have internet access and are happy without a hardcopy each month please let Dave know that and we can further reduce the number of issues we print. Things like ballots for our elections and items requiring your response will still go out by US mail.

February is when we begin to look forward to Camp Delta / Tower Park a bit more seriously as the "2 month warning." Like in football's 2 minute warning, it's a signal that you better start ramping up the projects to get them completed before April 15th.!

A final note on the closed Jeep Raffle Project. We've given notice that anyone who donated parts needed to contact the club if you wanted your donation (s) returned to you. Right now there's a pickup load of parts that have been unclaimed and the MVCC is accepting bids for these remaining items so that we can dispose of them. The parts have an estimated value of $1200. The items will only be sold as a lot, as is, where is to the highest bid received by the last day of February. The proceeds will go into the MVCC treasury. The parts are currently located in Oroville and it will be the responsibility of the buyers to pick them up within 7 days unless other arrangements are made. Inventory lists are available to anyone interested, please contact your local VP if you would like a copy of the inventory or if you would like to make a bid for the inventory.

Greetings from the frozen Central Coast! No, I'm not really serious, although the natives are complaining of being cold. IT'S JANUARY!

Membership dues are flooding in, and remember you have until April beginning this year. I'm happy to share that many of you have written notes saying you are opting for the 3-year discount rate to show support for the new Board, and particularly, our President. Only one grumpy guy gave his money grudgingly, there always has to be one, right? And, kudos to the huge number of you who provided your updated information cards.

The Treasurer's annual report should have been in this newsletter, but I am sorry to advise that we have been denied access to critical information which is causing the club other problems as well. There is no excuse and it is disheartening to realize how deliberate the actions appear to be. We sadly will have to force the issue. I can't say any more on that subject right now.

I hope you all have made a good start to this new year. Keep those cards, checks and letters coming in!

Hello to everyone in the Central Valley.
There isn't much going on this time of year so not much to report. Now is the time to get your vehicles out and make sure everything is ready to go for show season. Camp Delta is just a few months away and will be here before you know it. I for one can't wait to see everyone at Camp Delta as well as check out the deals.
There will be some excellent events happing this year in the Central Valley. Here are a few to keep an eye on:
Chowchilla Armed Forces Day Parade – May 19
Castle Air Museum open cockpit day – May 27
I'll add more info about those events later. Both will be great and will be a lot of fun. I know there are more events going on that I am unaware of. If you know of one, please let me know so I can get is published.

I just thought I would continue the ongoing saga of my Jeep. Ron Fitzpatrick did a complete overhaul and returned it to Scott Tanis and Dave Porter to reunite it with my 1945 Willys jeep.
Scott is a very conscientious mechanic. This is both a blessing and a curse. A blessing, because he discovers things in a very timely manner, a curse because it ends up saving you money later but costing you now. Scott was going to a radiator repair shop and decided to take mine in for a checkup. It turned out to be cooling at a 50% level. So now the radiator has been cleaned and had a rod-out. It is back to factory specs.
When I talked to Scott today he asked if I knew the transmission was leaking. I told him yes and asked him how bad. It has several seals leaking, so back to Ron for a seal kit and the transmission and transfer case off to a transmission expert for cleaning and new seals. I am going to save myself into the poor house. Seriously it's good to have a mechanic that knows where to take 65 year old vehicle transmissions.
I will update you next month when I should have the jeep back.

The Golden West Fly in at the Marysville Regional Airport. The theme is 30 seconds over Marysville. This airport was one that Doolittle's B25s practiced on prior to being loaded on the Hornet.
It is June 8, 9 & 10. There is camping on site and they provide the noon meals free. There is a pancake breakfast for a small fee and a big band dance on Saturday night. Last year the dance was free to reenactors in uniform. I will see what I can do for vehicle folks.
They have a vehicle parade before the air show. If you plan to attend go to the web site and register as a volunteer. List yourself as a military vehicle owner.

Hello to all from the East Bay. Well, December was a busy month and now 2012 looks like activates at the U.S.S. IOWA will keep some MVCC members involved for a month or two ?? Frank Simon's Navy G.P.W. and my 39 Navy Chevy Staff Car are on display in the warehouse across from the ship. If you haven't seen or driven your military vehicle there, rumor has it as of today 1/15 , that It may be in Richmond till April. Our Naval Air Museum will have a Auto Swap meet some time in the near future, It's in the planning stages. Also a Vintage Clothing show is planned, Some of the things in the East Bay for early this year. We our MVCC members always look forward to April, Camp Delta, best meet of the year, It's not to early to plan what you're going to bring. That's about all for now, over and out, The 40's Larry.

Hello from the Central Coast. With the lack of rain and outstanding weather, I've been going full-steam restoring a 1942 Willys Jeep. This Jeep is owned by my dear friend and fellow M.V.C.C. member, Louie Escher. It's an honor restoring this Jeep for Louie, as he's like a father to me. The engine purrs like a kitten and is totally painted and detailed in the correct
colors. The smoothness of this engine makes my own 1944 Jeep jealous. I'm currently priming and painting the body, as well as the multiple bolt-on parts. If all goes well, I should have this Jeep completed soon and back to it's proud owner.

The City of Pacific Grove has again invited the M.V.C.C. to participate in the Good Old Days Parade. This parade will be happening on Saturday April 14th, 2012.
If you want to get your M.V. out and about before Tower Park, please contact me. The deadline date for registering is February 15th, 2012.

That's about it for now...

Wow. Lot's on the horizon for 2012. Please renew your membership so you can get uninterrupted newsletters throughout this busy year, free want ads, plus the next MVCC Membership Directory. If you want your vehicles and interests listed in that, contact our Secretary ASAP! Sunday March 25 the Privat clan will again host their Blue Springs Ranch Tour outside of Geyserville. Trail ride, bring sack lunch, tracked MVs, amphibs in the lake, family-oriented event. See article in this newsletter by Daniel Privat. Also see the article about the special invitation to the Marin Sonoma Concours d'Elegance in San Rafael May 20. Arrival is encouraged on the 19th and camping is authorized on site at Marin Center. This will be a rare opportunity to show the collector car crowd who has the real fun! They want 70+ MVs and if we get 100 they can fit us in! If you know of any event coming up this year that other MVers should hear about, tell your regional VP or write your own calendar listing or article.

MVCC SCUTTLEBUTT

USS Iowa Weekend Open Houses through February in Richmond
All MVers are encouraged to display vehicles at the weekend open houses. The battleship is at Richmond Terminal 3 on Harbor Way South just off I-580. 10-4 for the public. Just show up but let John Neuenburg know because he is keeping a list of participants and volunteers who will be invited to a special interior tour of the ship. Date is TBA to this list only. Also there will probably be a major send-off event when the ship is towed out. This will include overnight camping for us. Stay tuned to www.mvccnews.net. See John's contact info on his VP report.

Marin Sonoma Concours d'Elegance May 19-20 To Include Major MV Display
We have been invited to be a BIG part of this annual car show taking place at the Marin Center in San Rafael. It is a Sunday car show in the Concours tradition but every year they feature a non-traditional vehicle display in support. By feature we mean they want 70+ vintage military vehicles!
Camping Saturday night, even Friday with approval. Please RSVP. RVs, car camp, tents
Open BBQ for MVers Saturday night is being planned. Maybe more.
Prominent display location by the Marin Center entrance. Attendees will walk through us
Amphibious operations in the Civic Center pond. DUKW, GPA, military boats, jeep trailers? What have you?
USMC / USN MVs on an "island" in the pond with land bridge
MVs from the Joe Garbarino's Military Museum
Themed displays if we want – foreign, WW2, Korea, VN, Desert Storm, etc.
Tentative WWII liaison airplane and military helicopter arrival on Saturday
Militaria displays, tents, sandbagged gun emplacements, living history units and vintage uniforms welcome
Embassy Suites with bar & restaurant is a 5 minute walk. Ask about special rate. Other lodging info is available.

Although we are not being judged as part of the Concours d'Elegance, the promoters have asked that MVs be in original or field condition without unmilitary modifications such as civilian paint colors, large tires, roll bars, etc. Salty vehicles are fine as is safety equipment such as dual taillights and turn signals. A 100 foot rule is a good guideline. Any questions contact us please.

This is a one-shot deal for us MVers. Let's show the car collectors who has the real fun! Please RSVP so we can plan the layout. Let us know what you want to do. Contact John Neuenburg at in_garage@hotmail.com or 415-306-3607, or Michael France at mfrance980@aol.com. For general event info, http://marinsonomaconcours.org/

Traffic Cones and Stanchions Needed
Does anybody have any traffic cones and or orange stanchions we can use at Tower Park this April? Please let an officer know. We have to mark out some no-parking Areas for displays. Any help would be appreciated!

Sewn in our canvas shop from Matrix car cover material. This fabric allows moisture to escape, but rain beads and rolls off. The inside is soft and gentle on your paint job. Can be used outdoors as a weather cover or indoors as a dust cover. This cover is custom fit to the vehicle and features a stretch band in the lower hem to keep the wind from lifting it. Fits over spare tire and gas can. Two large grommets are installed for a security cable or tie down running under the vehicle. Easy for one person to put on or remove. Light gray color outside, white inside. A storage bag is included.
