Photo dated January 1941, showing an early CCKW 2 1/2-ton 6x6 closed cab short-wheel base dump truck "AKA Deuce-and-a-Half" or just "Deuce." Nearly 10% of all the CCKWs built were the short-wheel base (19-inches shorter) trucks. Most were built as prime movers for artillery. The model type CCKW comes from GMC's line code, C for a 1941 model year, C for a conventional cab, K for part time front-wheel drive, W for two-powered rear axles.

Hello Everyone:

Four weeks is all that remains to get your vehicles up and ready for the “Big Show” 2019. A lot has been going on. We have food trucks coming Thursday and Friday night. The MD Juan Jeep kit is on a boat heading this way, and as soon as we have confirmation of that, raffle tickets for that kit will be for sale by your Secretary, Johnny Verissimo. Sites are filling up and the March 1st deadline for members is over and now its wide open for site reservation. You had better get yours while they are hot. Tent sites at the Amador Fairgrounds are getting handled through Joann and Johnny, and the 49er RV Park through Joann and the 49er reservation desk.

There is a lot of info here in the newsletter to help you with getting into a site, so you can camp and sell or buy lots of MV parts for those projects. Speaking of projects, if you have extra parts laying about and want to put them to good use, please donate them to the MVCC raffle. You can drop them by the Headquarters table near the front gate at the 49er RV Park. Remember donate stuff for the ladies and kids as well. All proceeds go into the Club treasury and are used to support the events and newsletter printing and mailing. The raffle will be held on Friday night, April 19 at 1730ish during dinner. The MD Juan Master Kit will be raffled last. BYOB and have some fun.

MV Display at HooptieCon / 24 Hour of Lemons Race at Sonoma Raceway March 9

By John Neuenburg

The organizers of this endurance road race for quirky cars and often quirkier owners has invited our MVs to display at this event during the weekend of March 9 at Sonoma Raceway. The two-day race for cars supposedly valued at \$500 in parts maximum takes place at many tracks around the country and the static car show version, Concours d'LeMons, happens at or near big automotive events and elsewhere. The Sonoma County Lemons show is the only one happening at a Lemons race for 2019. You will see hoopties, rust buckets, art cars, misfits, mistakes, the underappreciated, and the worst of the automotive world. As always, judges will accept bribes for thrift shop sourced trophies. I think we can all agree that adding military vehicles to this show was a wise decision.

The promoters have expanded two of the shows to create HooptieCon East and HooptieCon West (this event). Several other show promoters will also have displays here – Billetproof for mostly 1950s-60s traditional hot rods and motorcycles, Radwood for 1970s-80s cars, etc.

HooptieCon displays are Saturday only. \$20 per vehicle, includes two passes, and you get a couple laps on the track at 5 pm after the day's races are over! There is trailer parking. Pre-register at <https://24hoursoflemons.com/concours-d-lemons/>. I was told to select one ticket even if two people. More people are \$20 each.

A three-day ticket is \$30 per person and includes dry camping in the general parking lot. This does not put your MV in the Saturday display. You may buy this at the gate.

Check out the madness at <https://24hoursoflemons.com/> and explore for a lot of good humor. Let me know if you register for the Concours d'LeMons display and I will let the organizer know so he can plan display space. in_garage@hotmail.com or 415-847-2801. But just showing up will work too.

Good Morning MVCC Members!

Its Official that MD Juan is the April 2019 MVCC Event Sponsor! And! MD Juan has donated a complete **MD Juan 1942 Ford Script Tub/Body Jeep Kit!** That's RIGHT, THE WHOLE KIT in a Box! A **\$7,000 VALUE** to the MVCC April Event raffle on April 19th at 6PM! I know it sounds crazy but its TRUE. You can buy your Jeep Raffle Tickets from myself, Johnny Verissimo (MVCC Secretary) or at the MVCC Booth at the *Camp Plymouth 42nd Annual Swap Meet & Military Vehicle Display this April!*

I have made 1,000 special MD Juan Jeep Raffle tickets. They will be sold at **\$5 each.** Buy as many tickets as you like. If you would like to see the kit just go to www.mdjuan.com . It's a jeep in a crate.

Proceeds from this raffle will help the MVCC to advertise its events more, buy office supplies, merchandise and help offset the costs of higher mailing costs just to mention a few.

This will be one of the coolest raffle prizes we will have in recent MVCC history. I guess you could say you need to be present to win because you will need to take it home after the raffle! Lol. Yes the MD Juan Kit will be on display at the MVCC HQ Booth during the April Event so come by and check it out!

If you have any questions please feel free to ask...
