# AT THE FRONT

Dave Ball, MVCC President

vought@msn.com

Hi, Everybody

Well August is gone and here we are just a few weeks away from our Fall swapmeet, which is being held at Jellystone Park in Lodi formerly known as KOA Tower Park.

I hope everyone is still enjoying summer as we wind down and move towards fall.

I plan on arriving at Camp Jellystone on Wednesday, September 20. I am in Cabin 170 if you would like to talk to me.

Friday morning at 10am, we will have an impromptu General Membership Meeting somewhere near Cabin 170 by the exit ramp. You will need to bring a chair to sit, so look for the group. Hopefully we can find some shade.

I have been in contact with Petaluma KOA talking with Woody, the park owner, about some of our concerns from last year. Some of these issues, we may need to come up with some internal solutions to such as the shuttling of day visitors in and out of the park and giving those that have a hard time getting around rides in our Jeeps, especially up the sloping roads. We also need to make some signage and get the word out on the use of the onsite trailer storage area being offered to those camping to park overflow vehicles and trailers.

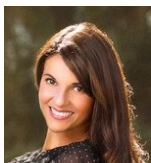

This was an election year, and I want to thank all those that returned their ballots. A special thank you to Randy Canova and Claude Morey for counting the ballots and submitting the report to our Secretary, John Verissimo. Those results will be in Newsletter #9, and John will report the results to the members at the GM.

Looking forward to seeing everyone.

Keep em flying floating and rolling,

Dave

Greetings from the North,  
As I write this we're about to get very busy with Military Vehicle events. Capital Airshow at Mather Airport in Rancho Cordova is first up on September 9th and 10th (Saturday and Sunday), then it's Camp Gridley at the Butte County Fairgrounds in Gridley on September 12th through 17th, then the MVCC Fall Meet at Tower Park on September 19th through 24th. I plan to attend all three of the September events. Camp Gridley is expanded this year with vendors and road trips and a living history display. Tower Park should be interesting with the new Jellystone Park theme. I wonder if

Yogi will visit us in our camping area... he should probably utilize a body guard or ride in an armored vehicle if he ventures into the "military zone". I've been spending a lot of time getting my DUKW ready for the NRG Flotilla at Camp Gridley. It will not be fully restored but hopefully it will be operational by that time. The big beast is not easy to work on, especially by yourself. They're just so darn BIG. Seems like every time I climb up the ladder and into the thing to work on it, I discover I need another tool or a different size bolt and have to climb back down, get whatever it is I need, then climb back in again. Good exercise I guess...

Hope to see you at one or all of the September events.

Things are still in flux right now for me, but I foresee calmer days are ahead, so I can get back to,,,, writing monthly news letter columns,,,,, back to working on my vehicles that I'm keeping and selling off vehicles I do not have time for,,,, back to start selling off stuff that I will never use. Here are some forth coming events in the South S.F. Bay area. Veterans Day Parade, in San Jose, on November 11th (see event listing for details or email me) Additionally there is a Veterans Day Static military vehicle request, for a Redwood City event on November 11th (see events listing for details). With fall and winter rains coming and some holidays being close by, give thought to buying enclosures or tarps for your vehicles / parts stored outside. Most online places will be offering free shipping and bargains on holidays. Old fart input on selling / camping at Camp Petaluma in 2017. Yes 2017, was not a good year to sell stuff at Camp Petaluma. But for a brand new location, that could be expected. I can see folks awaiting feedback of Camp Petaluma 2017, before going to Camp Petaluma 2018. Low attendance of visitors / buyers has always happened every time we have gone to new locations for camping,,,, aka,,,, Big Bear, Tower Park, Woodsen's Bridge 1 (CA state park) Woodsen's Bridge 2 (private camp ground), Casa De Fruita, Camp Robert's, Battery Alexander (GGNRA), Gridley, etc,,,,, all had more visitors / buyers, after the first camp out. The same was true of merchants bringing stuff to sell. Did you know that the Woodsen's Bridge campouts, were never initially planned, to be a swap meet ! On the subject of sites that our group has been to, there is also the subject of exploring new sites to visit. If you know of any places, give a scouting report to our President.

I have had a busy July and it looks like August may be just as busy or even busier.

We did the Monterey 4th of July Parade, with my trusty sidekick Marc Goldman and for a return engagement "Rob Albanese" who has returned to the Monterey Peninsula. We are looking forward to having him join us for future local events.

We quickly followed that up by attending the "Car Show" at Reid-Hillview Airport along with T-8 and a half dozen LRDG clad supporters. Also there; was the group from Eagle Field, providing Tank rides for quite a number of folks.

I left my jeep and trailer with Doug Boales as he wanted to take it to (along with T-8) to the Saratoga Car Show, which was on the 16th of July. I unfortunately was unable to attend as we were invited to some friends 50th Wedding Anniversary. Not sure which but one of the vehicles won the "Most Fun Award" at the Saratoga event. He is currently storing the vehicles in a hangar at Reid-Hillview airport.

Coming up, but will be over by the time this is published is the "Spirit of 45" at Kelly Park in San Jose on Aug 4th & 5th. All of the LRDG vehicles will be there (T-8 & T-9 along with my jeep). I'll be there on Friday to help them set up but Donna has other plans for Sat. So they had to do without me on Sat. But there was again a bunch of LRDG groupies in attendance.

Also locally starting on Aug. 13th on the Monterey Peninsula is the famous "Car Week", finishing up with the Pebble Beach Concourse de Elegance. They have added more auctions for that week and some interesting events. I have entered the jeep in the Pacific Grove Auto Rally on Friday the 18th. Last time I entered (2013) Damon Viola beat me out of an award with his truck. Time before that (2012) we did receive the "Young Judges Award" sponsored by Hagerty.

The day after that (Aug 19th) I've been invited by Phil Tracy to an event in San Jose but will be unable to attend because of a Monterey Bay Aquarium event on the same day.

I have nothing on my local schedule in September until the "Camp Delta" meet. If you know of something let me know.

Hello to you all. It's that time again to get ready to go to Tower Park, only it's called something else. I am not going to go on Monday, I will go on Wednesday that will make it four nights and save \$200.

I like Petaluma better. Had a good July 4th Parade, over 5000 people came out to celebrate, and got 1st place with the M135. I am looking forward to Fleet week at the Red Oak Victory Ship in Richmond. Google it. [www.Redoakvictory.org](http://www.Redoakvictory.org). A PBR and a Huey will be there giving rides. Tour the ship. Fun for the whole family. I will be there. Hope to see you there.

Hotels are six miles east by Interstate 5. More lodging at B&W Resort, 5 miles west on Hwy 12.

There will be a fee and wristband to use the pools in Campground 4. Ask at office.

As usual, no fires on the ground because the peat soil will burn underground. Raised pits and wood are available.

If you are using a campsite you have used in the past, be aware they have installed paved patios and fire pits in some that can affect where you park or position a tent.

To make a camping or cabin reservation, contact our "Wagonmistress" Jo-Ann Lesser at [mamalesser@yahoo.com](mailto:mamalesser@yahoo.com) or 408-238-8277. She will assign you a site and will tell the reservation office to accept your deposit for it.

If you are bringing a MV but are not renting a campsite and have no place to park, usually someone has extra space in their site they will trade for beer, soda, or cash! Ask around or ask a MVCC officer, or contact John Neuenburg at [garage@hotmail.com](mailto:garage@hotmail.com) or 415-847-2801 or at space #148. Same goes if you have a site with extra room for a MV. John will try to put people together. To share a site for camping, Jo-Ann might know of someone.

**PARKING**

No parking in the campgrounds unless in your campsite. That includes along the roads in camp. Commuters use the levee which is very close, and walk in via stairs or ramp. Park on the campground side, not in front of the tenant boat sheds. No parking fee.

DO NOT STORE TRAILERS ON THE LEVEE! They use up space. Use the lot by the guard shack or frontage road shoulder.

Roads are fire lanes – do not block them. Do not park in a vacant campsite because it won't be vacant for long!

Management may have illegally parked vehicles towed to Lodi or Stockton

**ACTIVITIES**

- Morning Coffee and Treats, Cooper camp #147 north of the restrooms, Thursday-Saturday morning. MVCC fundraiser.
- CA State Military Reserve Historical Display, Saturday morning, LTC George Cooper's campsite #147.
- Lady's Social tentative for Friday 2 p.m. – watch our website for info and see the event flyer.
- If anybody wants to list a MV driving excursion, group trip to town, or campsite display in the flyer that will be handed out at the office and posted, contact John at [garage@hotmail.com](mailto:garage@hotmail.com) or 415-847-2801 cell, ideally before 9/13.

MV displays need to be in campsites although it might be OK to stage for photos in the Campground 4 field. Another good location is on the levee by the far gate.

MOLE

Small card found being used as a book mark. It belonged to my father in-law, Glenn Sievert. Glenn passed on February 4, 2017. He was a WW2 Veteran and served in the Navy on Guam 1944-1945. He went through boot and communications training at Great Lakes. ED.

Three pictures showing the 1/4 ton truck found in an old book are pretty self explanatory.
