## WAGON MISTRESS UPDATED INFORMATION

Jo-Ann Lesser 408.238.8277

As Tower Park is wrapping up their current renovations they have asked us to wait on calling for reservations for our April 2019 Camp Delta meet. Reservations for current MVCC members will be open October 1, 2018 and everyone else on November 1, 2018.

This meet will be a 4-day minimum event however, early birds are always welcome. The MVCC will have campgrounds 2, 3, and 4 same as in years past. We will not have campground 1 (sites 1 thru 84). As we are starting over with this meet, all reservations will go thru the Tower Park reservation system 209.369.1041. After this year, reservations will go through me. Go to [www.towerparkresort.com](http://www.towerparkresort.com) and check out the current campground map. Choose a site that will best accommodate you. Some sites are no longer back-to-back sites and are now 70' pull through's. We will be tight on spaces as we've lost about 50 sites to cabins and redesigned sites. Sharing of sites is encouraged however, Tower Park will not split the bill. This will need to be worked out on your own. If you will be needing a dry tent site you will need to contact me directly 408.238.8277.

At the time you make your reservation you will be asked to place a deposit of 50% of the cost of your stay. The remaining balance will be due at time of check-in. Anyone looking for a tent site will need to confirm with Tower Park that the site chosen will accommodate tent stakes. Rates for sites was published in issue 4 of the MVCCNEWS.

Dave Ball, MVCC President

vought@msn.com

Hello Everyone...

It was a real pleasure to see so many of you in Petaluma. I hope everyone had a great time and found some parts or a new project. I had a lot of fun and found a lot of Dodge and M38A1 parts for my two projects. I want to thank everyone that came and supported your club and those that brought vehicles and parts, you are all the backbone of the club. Thank You!

I have made a few trips to Camp Delta over the last several months, and many of you have had questions about the camp ground and changes. This fall we will have our annual fall meet at Camp Delta. This is the perfect time to look around. Until then I will try and answer some of the questions recently asked: Many sites are just the way they were two years ago and some are not. There are a few sites that are now 70 feet long. These pull through sites were created from combining two 35 foot long back-in sites that were back to back. Jellystone has also added cabins along most of the back perimeter fence in CG4 and CG2. But many sites are still as they were the last time you camped there. Some rumors about the restaurant being torn down are not true. They have remodeled it and are getting ready as I write this to reopen and serve Breakfast, Lunch and Dinner. The menu is now on-line. With all that is being said, here is the bottom line. Except for the levee entrance and exit the site is flat. Visitors will pay no fees to park on the levee or enter on foot, unless they use the waterslides of course. For the most part we will have the whole park except CG1 to ourselves if we reserve it. We are returning to Camp Delta. It is a do over and fresh start. Many issues that we had at Camp Petaluma are behind us. They were left at the exit gate. Moving forward, we need to make this work, "You need to make this work." "Keep 'em Rolling, Floating and Flying"

### MVCC HQ/STORE at Camp Petaluma April 2018 Event.

We want to thank Phil Tracy, Kim Sievert, Kataryna Verissimo, Cameron Kock, Dave Ball, Jack Valenti, Mary Terberg and Donna Valenti. Those are the names that signed in, if I missed someone please let me know.

Thank you to all of our volunteers for coming in at one point or another to give your time for a couple of hours at the MVCC HQ/STORE. Because of you all we were able to keep MVCC-HQ open from 10AM-4PM for 3 straight days which makes it more convenient for members and non-members to come by and pay their dues, buy MVCC Merchandise or just ask questions about the event or get a hold of a board member etc.

The MVCC is a club run by its members for its members, we are only as good as our volunteers so THANK YOU all from your acting Quartermasters. If there is something you would think would make a cool merchandise item with the MVCC logo on it let us know. If you have questions or comments or want to volunteer you can email me at [www.istanbull@sbcglobal.net](mailto:www.istanbull@sbcglobal.net). ... Someone did mention maybe making license plate frames? Anyone interested in us making license plate frames? ... At the moment our Club President Dave Ball and I are trying to get a PayPal/eBay page set up so members and non members can purchase items online with credit/debit cards and maybe even pay their dues. Again, thank you volunteers who helped at MVCCHQ, you guys ROCK! Acting Quartermasters are: MVCC VP Don Gomes, MVCC Treasurer

Well, the Spring MVCC campout at Petaluma camping was fun, but going back to Tower park for the Spring 2019 MVCC campout, will be 100 times better. It was great seeing all of you and a big thank you to all those who participated in the raffle. A thank you to the Huey vets organization (<http://www.hueyvets.com/>) for bringing their helicopter for display and letting folks experience riding in a true warbird helicopter. A huge thank you goes to Dave Ball, for efforts in solving most of the frustrations of camping at the Petaluma KOA and arranging our return to Tower park for the Spring 2019 meet.

We had a few members pass away last year and we will have a few members pass away this year, and that sucks. But I can honestly say, their names and contributions to our group will not be forgotten.

**Morgan Hill 4th of July Parade**, the MVCC will make a showing in this parade. It has the small-town parade flavor with large amounts of spectators. This year's theme is "Happy Birthday America". Optional uniform of the day is "Hawaiian" shirts or skirts" Staging for us, is usually a parking lot, off Depot Street by the train station. WE NEED TO BE ONSITE BEFORE 9 AM. If it is after 9 AM, the road closure folks, may not let you get in. (but it pays to try, so try if your late) Weather, normally HOT. The parade route can be found from their website, <https://www.morganhillfreedomfest.com/parade/#info> POC is JoAnn Lesser, [mamalesser@yahoo.com](mailto:mamalesser@yahoo.com) and on site POC is Kim Sievert. After the parade, some go to "In and Out Burger" for fine food and cold beverages. Always check the MVCC section of the G503.com forum for updates

**Redwood City is having a 4th of July parade** this year, no details yet. Check the MVCC section of the G503.com forum for any updates

A smaller parade on July 4th, is in the San Jose area is "Rose White and Blue Parade" <https://www.rwbsj.org/> POC has been Peter Wong. [pskwong2000@yahoo.com](mailto:pskwong2000@yahoo.com) If unable to reach Peter,,, email / call the parade coordinator <https://www.rwbsj.org/parade-participation.html> and ask if there is a military vehicle group yet. If there is not a group yet, and you want to go, create one! Always check the MVCC section of the G503.com forum for updates
