Hello Everyone:

I hope everyone is dry and warm and that the wind did not rip all of your tarps to shreds. While going through the multitude of articles and various flyers sent to the editor I came to the conclusion that if you cant find the info you need to get a campsite at Camp Plymouth its not because of lack of information. In this jam packed newsletter you will find all the info you need to get a campsite and have a great time. The Camp Plymouth venue has something for everyone. Remember to spread the word that there is plenty of free parking. Also the tent sites are really very reasonable for those of you that are weekend warriors. This year we will have many things to cram into our days at Camp Plymouth. The foothills around Plymouth and Highway 49 are full of backroads and gold rush towns. If you are staying in a tent site please plan to bring a pop up canopy or a tarp. Camo nets work great for sunshade but if we get some rain (like usual) camo netting will not keep you or your parts dry. Please read the newsletter carefully and if you have any questions you can always call Johnny or myself.

This is an Election Year so if you would like to nominate yourself or a friend talk to Johnny or Myself. Remember all positions are always on the ballot available for nomination. New People bring New Ideas!!!

Camp Plymouth Event Flyer is Available to You

The event flyer printed in this newsletter is available to you via email. Just ask an MVCC officer for the PDF file. Please help us get the word out about this event and new location. Print some and walk into your favorite auto parts or military surplus store, museum, or local veteran's center with a flyer and some tape and thumb tacks in your pocket and ask the manager to help us tell people about something interesting. Those of you in the Highway 50 and 99 corridors and in the foothills can help get the word out to unaffiliated MV owners and fans who are an easy drive or tow away. Many don't know about the MVCC or our annual events. We finally have room for a lot of new faces!

Hagerty to Sponsor the Camp Plymouth Truck Showcase

One of the two themed vehicle showcases planned for Friday April 19 will be Ford GTBs and Chevrolet M6 Bomb Service Trucks Presented by Hagerty. POC Don Gomes reports that it is time for the GTB series of trucks to get their place in the sun. Rumors are out there that some trucks never seen at our big meets will show up. Could our display set a Western U.S. record? It is also time to throw a bone to the rare Chevy bomb truck owners. One reason they are being included is that they are so rare it would be tough to have an impressive display all by themselves. Another reason is there will be at least one GTB bomb truck there, so the Chevy and Ford designs can be compared side-by-side. Great idea Don!

This showcase will include a People's Choice Contest with cash prizes courtesy of Hagerty Collector Vehicle Insurance. YOU get to vote for your favorite! Hagerty provides insurance to the MVCC and is the insurer for many of the classic MVs we will see in Plymouth. They have also sponsored awards at many Military Vehicle Preservation Association National Conventions and the Youth Judging Programs at each. This program was started in 2007 and they host these for children ages 8 to 14 at over 100 classic car and boat shows throughout the U.S., Canada, and the UK. Young judges are guided through a group of pre-selected vehicles to learn details, history, and fun facts about each. A simplified score card is used. They offer a kit for car show promoters who want to incorporate youth judging at their show. This is part of the Hagerty Youth Advocacy Program, along with Hagerty Test Garage and Hagerty Driving Program for young adults.

Hagerty representative Joe Giuntini will be camping most likely in RV site 34 and will have information about insurance, their new Hagerty Driver's Club which has evolved from the Hagerty Plus Roadside Assistance product, and the youth programs mentioned above. For information see www.Hagerty.com.

WAGON MISTRESS REPORT, CAMP PLYMOUTH, APRIL 16 – APRIL 20, 2019

Jo-Ann Lesser 408.238.8277

Can you believe it, we are only 3 months away from our Spring camp out and swap at 49'er RV Resort. If you have been assigned a site now is the time to get your deposit paid. Having a deposit guarantees that the site you picked will be awaiting your arrival. If there is no deposit on a site by **March 1, 2019**, it will be considered available and will be assigned to the person at the top of the wait list. The 49'er can be reached at 209.245.6981.

If, you have contacted me for a tent site at the Amador County Fairgrounds please remember that these sites must be paid in full prior to arrival. I do not want to be responsible for collecting camp fees during the meet. The daily rate for tent camping is \$25. Multiply the daily rate by the number of nights camping and mail payment to MVCC Treasurer, 850 Elm Street, Gustine, CA 95322.

At this time, there are no cottages available at the RV park but, I do have a wait list in case of cancellations as well as a wait list for electrical/water tent sites at the fairgrounds. If this list is something you would like your name on please let me know.

I can be reached at mvcccampmistress@yahoo.com or 408..238.8277

Hello to all MVCC members

I hope all is well in your neck of the woods and please don't forget to pay your dues to keep your newsletter delivered on time. Well back to my Froggy story the restoration of my Ford GTBS Bomb service truck . Now the truck has been totally disassembled and painted now it's time to put Froggy back together . So now the new Firestone tires were mounted on all four corners then set back on the ground . Next was the engine! she ran like a top so I just resealed it and the trans and transfer case as well then set them back in the frame . Next was to put the dash in and windshield frame then front fenders, steps, grill, inner glass, bumper and side tool box . Then it was time to set the bed on rear fenders and bolt it all down with the original bolts washers and nuts .After the bed was bolted down and rear bed cap we set the crane and winches on . So note that this single rear wheel GTBS did not have rear bumperettes from the factory . The next job on Froggy was to paint all the lettering and hood numbers so Johnny V ordered decal stencils from the UK about a month before we needed them . Next we set all stencils on all panels and painted them in a satin white then removed all stencils WOW we were done with the paint !!Don't forget the GTB & M6 Show Case at Camp Plymouth in April !! Stay tuned for my next installment .

Hello North Bay West and beyond,

Happy New Year to the membership! As we start the new year I have been approached by Sonny Hansen (former North Bay East VP) to take over his responsibilities as VP of that area. I accepted until we have another election. I will now have the whole of the North Bay Area (707 & 415 area codes). I would like to thank him for his years of service to the membership and the board. I still look forward to visiting with him at further events. As always, if you have events that you want published, call or e-mail me.

I would like to endorse an event that I have enjoyed in the past. That is Member Ryan Shelly's Vintage 4wd Winter Expedition. This event is February 15th -17th. He holds this event at his family cabin out of Somerset. This is a great weekend driving forest roads in the snow. There is dry camping at his cabin and a lot of pre 1975 4wd rigs (civilian & military). Bring your chains! Contact Ryan at (925) 395-1100

Camp Plymouth Swap Meet & Military Vehicle Show April 16-21, 2019
Presented by MD JUAN

This meet could be our biggest one in 42 years! It solves the challenges we faced at Petaluma KOA and the new ones at Tower Park. We have almost unlimited, free, visitor and commuter parking onsite, and these people can easily pick up and deliver parts and MVs. Admission is free. There are plenty of RV sites with room to grow, and over 140 inexpensive tent sites. We have a fenced arena for vehicle showcases. Plymouth is a short distance from the center of the state and major north-south and east-west freeways. Like Petaluma there are scenic MV driving roads with interesting tourist destinations. For more details, check out the event flyer in this issue.

WIN A MD JUAN SCRIPT FORD JEEP MAXI-KIT AT CAMP PLYMOUTH!

We have a title sponsor for this upcoming show! It seems like some companies have been paying attention to the number and type of people we attract and want to give us their message. The reproduction jeep parts manufacturer MD Juan is our primary sponsor. They are known for their wartime and postwar jeep body tubs, plus most other parts bolted to them besides engine, drivetrain, instruments and electrics. At the event they will display parts and information about their manufacturing facility. MD Juan is also the sponsor of the People's Choice Contest cash prizes for the "Jeep Showcase - WWII, Korea, Vietnam, CJ pre-1987 Presented by MD Juan." See information about that elsewhere. Help us set a Western U.S. military jeep display record! Bring your jeep, Mite, MUTT, or CJ, in any condition!

The biggest part of the sponsorship fee paid by MD Juan is a trade. President Rommel Juan has given the MVCC a Maxi-Kit as is shown on the adjacent page. Of the several wartime MB and GPW kits they offer, the Board chose their early Ford Script model. This will arrive looking like the fabled "jeep-in-a-crate" and will be on display at the event. This kit will be sold to a lucky winner at the annual fundraising raffle on Friday evening! The anticipated revenue helps the Board budget money for the event and for the benefit of members. How would this kit look as-is in YOUR man cave garage?

Camp Plymouth – Not Just for the Guys

What's there for the women to at Camp Plymouth besides follow the guys around or sit back and relax? Here's a list of activities planned or available while we're in Plymouth:

Wineries – Plymouth's Shenandoah Valley is home to over 25 award-winning wineries. In fact, there are 40 wineries throughout Amador County. On Wednesday, we'll be visiting a few Shenandoah wineries on our Wine Wednesday convoy, but it can be fun to go back and visit even more another time. Most of the wineries are open from 10-11 am until 4-5 pm. Some don't have any tasting fees. Those that do charge a tasting fee will apply that amount toward the price of any wine purchased. This is the place to refill the wine rack at home and have wines for camp dinners!

Antiquing & Yard Sales – Gold Rush areas such as Plymouth, Sutter Creek, Jackson, Amador City, Drytown, Volcano and Fiddletown provide us with a huge number of antique stores. Friday and Saturday you might also find some great yard sales, too.

Women's Camp Gathering – Thursday @ 2 pm bring whatever you want to drink and possibly a snack to share with the other camp women at the Rec Hall. We'll chat and find out about hobbies, etc. This year there will be a guest speaker from Native Daughters of the Golden West, talking about their organization, its support of veterans and historic preservation, and their "home" in San Francisco designed by architect Julia Morgan (who also designed Hearst Castle).

Women's Off-Site Brunch – Friday morning join the carpool to go out to one of the historic towns for brunch and shopping. We'll start with brunch at one of the restaurants recommended by locals then explore the open shops and boutiques before being back at Camp around noon.

Daffodil Hill and Amador Flower Farm – World-famous Daffodil Hill is held every March/April in Volcano, about a half-hour drive from Camp Plymouth. Actual dates depend on the weather and other factors so we can't guarantee it will be open. (No pets allowed.) Gardeners also enjoy a visit to Amador Flower Farm, home of over 1,000 varieties of daylilies. See them and purchase some to take home.

Poker Rally Convoy – Thursday morning, bundle into an MV for a ride through the Amador County countryside. You will stop at designated points along the drive to pick up an envelope with a poker card sealed inside. Once back in camp, turn your envelopes into the collection desk in the Rec Hall, where they'll be opened and "Best Poker Hand" determined. Price is \$5 per hand with money collected being awarded to the 3 best hands. We need women to help with the morning registration as well as in opening and recording the poker cards each person draws. Even if you don't want to participate in the Rally, your help is overwhelmingly appreciated.

These are some of the major activities in the area that the women might be interested in. Please feel free to contact our Activities Chairman and resident Travel Agent – Nancy Porter if you have questions or want more details. Nancy@ForkInTheRoadTravel.com or 530-391-5650.
