MVCC FALL SWAP MEET AT TOWER PARK
(CAMP DELTA) SEPTEMBER 16-23, 2012
HOPE TO SEE EVERYONE THERE

Amphibious Construction Battalion, Seabees unloading LST’s
US Navy
Presidents message, September 2012

The Military Vehicle Collectors of California has undergone several changes over the past year but we remain the largest affiliate chapter within the MVPA. Our organization mirrors theirs with one exception. The MVCC has no Sargent-at-Arms. This function is generally performed by the President. I’d like to remind the membership that next year is an election year and it’s time to think about becoming a club officer. While the pay stinks, the job of making things happen within the club is an important one. Our events are well anticipated during the year but have you ever considered what it takes to make one of these meets happen? There’s much more behind the scenes than meets the eye. Being part of the MVCC board allows you to directly influence what happens at our meets.

Let’s review the officers positions within the MVCC.

**President:** The President presides over the board and membership meetings and directs the operations of the club. The President is responsible for any day to day activities necessary and helps resolve any issues affecting the club. An important part of this job is interfacing with other organizations that may wish to interact with ours. He is a good will ambassador and media interface.

**Secretary-Treasurer:** This is the real heart of the MVCC. Accurate records keeping is essential to the proper operation of the club. The Secretary keeps the clubs meeting minutes and updates the By-Laws as directed by the board. Maintaining the roster, keeping the financial records of the MVCC in good order allow us to function smoothly as an organization. The Secretary-Treasurer also files our annual IRS and State reports. All dues and membership inquiries should be directed to the Secretary-Treasurer.

**Newsletter Editor:** The most visible of all the clubs officers, the editor is charged with publishing a newsletter in both hardcopy and electronic formats to make sure the membership is kept informed of the activities and opportunities on a timely basis. This includes working closely with the clubs webmaster. The editor has the responsibility of making as much information as possible available to the membership while remaining within a budget dictated primarily by current publishing and postal costs. The editor has the ultimate authority to edit all material submitted for publication.

**Vice Presidents:** The Vice Presidents are responsible to actively work with the membership in their respective areas and represent them to the MVCC board and vice versa. They should aggressively work to bring activities, events, and topics of interest to the attention in their regions to the clubs attention. They should do their best to make the public aware of the MVCC and help grow the organization.

**Quartermaster:** An adjunct to the Secretary-Treasurer. The Quartermaster handles the clubs real property, name badges and for sale items. Tracking inventory levels, purchasing required inventory, and making suggestions to update the inventory to benefit the MVCC. The officers position responsibilities are also called out in our By-Laws. What I’ve listed here are the basics of the positions with the hope that some of you will think about joining your board next year at election time. The board all volunteers their time with the belief that we’re the best MV club around and want to keep it that way for years to come.

See you at Tower Park,
Keep ‘em Rolling

Camp Roberts (Camp Bob) Has Been Cancelled Indefinitely.

At this time, I am working to see if there is a way to get us back on base for our annual campout and swapmeet. I have had many calls and emails asking about this annual get together. Rather than wait right down to the wire for a reply from the base for an October trip, it would be logistically better to try for May 2013. I would like to thank all the attendees from the six years that we held this event. A big thank you to all those that helped me with the setup and cleanup, as well as those that did trail boss duties and tail end Charlie. Any questions or comments, please send them to me, Dave Ball, vought@msn.com

Please accept my sincere apologies for the cancellation. Dave Ball
Hello to every one in the MVCC. September is almost here and I for one hope this Camp Delta will bring me better luck. I have been cleaning and lubing my trucks now so I don’t get in a rush the week before the meet. So at the end of the day one, this one, should be very careful when moving big trucks around in very tight spaces but I got in a hurry and now the lesson of the day is, “pay attention to what is in back of you“. There is nothing like backing a 12000 lb truck over a full gallon of paint. There’s not enough left to take a photo of it!

It looks like a different UH-1H Huey will be at the meet this year. Maybe Friday, for sure Saturday, time is top secret. J

There will be a parade in Yountville called the “Yountville Day Parade”, on Sunday Oct. 7, 2012 This will be the 35th year for this parade & festival; it starts at noon from the Veterans Home of California. Lee Hoskins is the POC at 707-328-2316 and he says, “next to the Veteran's Day Parade in Petaluma this is the best one around“. It ends at the park with food, vendors, and live bands. Lee reports, “The vets really enjoy our vehicles and some ride with us”. I’m told that there is Six award categories: Best Vehicle, Best Veterans Home Entry, Best Youth Entry, Best Equestrian, Best Marching Band, Best Portrayal of Theme“, and that would be (Yountville, A Day in the Sun.) No charge for entries and Lee has the application. Deadline is Friday Sept. 21. Give Lee a call. 707-328-2316

Next is the Petaluma Veteran's Parade on November 11 in Petaluma. We should have more on this soon and I think Lee is POC on this too.

On October 13, there are the 4th annual mustang days at the NUT TREE airport in Vacaville. Larry Smigla is the POC. He can be reached at 707-689-4848, or p51smigla@aol.com

All of this should be on the Calendar. That’s all for now, see ya at camp.

Sonny Hanson
Your MVCC North Bay VP east

Hope to see you at the September version of Camp Delta at Tower Park Resort. If you haven’t met your area VP or other Board Members, ask for their location at the MVCC info table, space #276 and introduce yourself. Note some have different campsites than at the Spring event.

On September 29 there is a display in San Francisco at Jimmy’s Old Car Picnic at Speedway Meadow, Golden Gate Park. See the detailed notice on our website. POC Mike Weeger reports this charity event gets 500-800 vehicles! Pre-1980 only and there is a $40 registration fee. 0700-1600 and bring your BBQ. Mike is at plumstr8@hotmail.com.

We have been talking to the National Park Service about a display on Fleet Week weekend at Crissy Field but it’s not set yet and the special event permit to reserve space might be cost-prohibitive. Ditto reserving space on City property. Assuming no permit, know that anyone can drive their MV to great viewing locations. We have gotten away with blocking off a few parking slots for friends but it requires getting there by 0800 or so depending on how good a location you want, and stragglers need to meet you ASAP. If anybody wants to take their MV to the City, check the MVCC forum on G503.com for updates or contact me. For example if you plan to take your jeep and the kids to Crissy Field and would like MV company, let me know and I will let others know.

See the separate article about the Cost of Freedom Tribute with MV display November 7-11 in Sonoma. This will be a great combo event along with the big Veterans Day Parade that Sunday the 11th in nearby Petaluma. See that calendar listing plus a camping recommendation

John
Hello to all from the East Bay,
Sunday Sept 16th is the beginning of the Fall meet at Camp Delta and for those who will not be there that day, It's also the Naval Air Museums Fall Swap Meet. Our Spring Meet was a success and we hope to have and even bigger meet that day. Spaces are 20x30 for vender's $30.00 per, $20.00 cars for sale, No Charge for display only. No Charge for buyers. All types of vehicles welcome. All vender's fee are donations which are Tax deductible, so If you're not going to Camp Delta that day? Come ,"Buy" and see us. Camp Delta is getting Bigger and Bigger in the fall, thank you one and all. I hope to be able to be there part of the time. As I compose this article the" Alcan" Highways Convoy has been moving for 15 plus days now, a few days ago, I saw a photo in the MVPA website of the two "Willy's" with big grins in Denninger's Deuce and a half, hope they" keep em rolling" all the way, Good Luck To All Well, that's all for now, over and out.
The 40’s
Larry

Greetings MVCCers! No, I haven't run away. I've been running around like a crazy person waiting for the powers to be at work to hire me a helper--his name is Mark and thank God for him! I'm actually able to look forward to Tower Park this time and I hope to see lots of you. 
We're trying to get the memberships on an April to April schedule. All members are encouraged to stop by the HQ tent to say Hey, share a joke, or to update their roster info.

See you soon . . . L-K

Camp Delta News

Camp Delta at Tower Park Fall Updates 16-23 September
The second largest MV rally and swap meet in the Western U.S. is around the corner! Report to the Stockton Delta KOA six miles west of Lodi on Hwy 12 for your best opportunity to clean up your dusty parts shelves and moth-infested uniform closets and see these unneeded items go to a new home. Pick up parts and paint for your winter restoration project. For those who have never been to either Camp Delta event, we feature no vendor fee, only your campsite rental through KOA. No admission or parking fees either. MV parking is reserved near the Pavilion for those commuting in MVs or if you don’t have room for it in your campsite.

New this meet will be three ongoing event awards for Fall and Spring: Longest Distance Driving a MV, Longest Distance Bringing a MV, and Hard Luck Award. It is up to you to submit your name for these contests. Look for a sign-up sheet at the MVCC table, space #276, or see Activities Coordinator John Neuenburg at #297. Awards will be presented at the beginning of the MVCC membership meeting at 1000 on Saturday.

Tentative is the first appearance of the 25th Infantry Division Huey assuming their safety plan checks out. This organization portrays the 25th Aviation Battalion in Vietnam and they commemorate all Army helicopter units from that war with their former 25AVN BN UH-1H. If this happens they will be bringing some vets to visit and let’s give them a nice MVCC welcome. We’ll schedule a VN-era MV photo around this.

The Early Bird Potluck will be Monday 1800 at the Pavilion. Bring food to share and your plate, utensils. Morning coffee and treats will again be available Th-Sat. at the Cooper’s Fall campsite, #325, and this is a MVCC fundraiser. MVCC merchandise will be available at the Quartermaster, the Jorgensen camp #389.

If you would like to do a display or other activity please contact John and he will add it to the posted schedule. We will mention it on the website, the MVCC forum on www.G503.com, and elsewhere. You are welcome to use the display field for your MV photos but please consult the Activities Flyer for space conflicts and especially if within the window for flight ops. This field can turn into a landing zone without much warning.

Remember that your April and September campsite reservations are completely separate. You are welcome to book different sites for each meet as available. For September you are not required to contact JoAnn Lesser as is the case for April. Go through KOA at (800) 778-8937. We focus the September meet in Campground 4 so there are a minimum number of non-MVers in our midst. You can request a CG2 site of course. By the way, September is a great time to bring the kids. The new pool with water features is perfect as is the weather. The original pool is for adults only.

Check out all that Stockton Delta KOA has to offer here http://koa.com/campgrounds/stockton/REMINDER - USN & USMC Vehicle Showcase at the April 2013 Camp Delta!

Activities director, John Neuenburg

In the shop

The editors WC-56 body tub under going restoration. It had extensive rot in the hat channels. The underside and the side body Channels had to be removed and replaced. The body is complete and I am now starting the chassis. This took many hours of drilling, grinding and welding. The tub is rock solid now and waiting to be mated to the chassis. Pictures Dave Ball
FROM THE FIELD

The Marine Corps Mechanized Museum is located at Camp Pendleton and has many wheeled and tracked vehicles. The above Pictured International M-2-4 1 ton Rocket truck was displayed at Tower Park in 2012 By MGySgt Jim King, USMC (Ret.). These trucks were employed by the Marine Corps as supporting rocket artillery in many Pacific Island Campaigns, most notably Iwo Jima and Okinawa. The M-2-4 mounts 3ea Mark-7, 4.5 Inch Rocket Launchers that are married together into a single system. Each launcher can hold 12 rockets that are gravity fed and can be fired singly or in ripples. The 4.5 Inch Rocket had the equivalent explosive power of a 75mm artillery round. The Mechanized Museum’s truck was restored and the rocket launchers were fabricated with all the work completed in the Fall 2010 and it all works. This is the only example of this famous truck that is in existence that we know of. The Museum’s truck is shown here with a small assortment of different colored inert practice rockets and located out on an artillery range at Camp Pendleton for a Static Display. These pictures were taken when the Mechanized Museum was supporting a Marine Corps 4.5 Inch Rocket Association Reunion. The Association members went out to the range to observe a practice firing of the 5th Battalion, 11th Marine Regiment’s High Mobility Artillery Rocket System (HIMARS also shown). There is a picture above of Bob Turley’s WC63 pulling an M21, 25 Tube, 4.5 Inch Rocket included as well. Captions and Pictures: Lt. Col. Robert L. Turley U.S. Marine Corps (Ret.)

For Sale: 1945 Willis MB. It is pretty much all original including a 6 volt electrical system. I have overhauled every system, including rebuilding the engine, replacing all of the drive line bearings, front axels, brakes, transmission, transfer, front and rear differential, wiring, etc. It has a new gas tank, fuel filter and overhauled carburetor. All five tires are unidirectional military mud lug with new tubes on standard split rim wheels. It has the shovel and ax with all standard straps and spare gas tank; there is no top. Asking $10,000.

Contact: Tom Carlson thomasdebra@comcast.net
Phone: 650-365-1908 11/12

For Sale: 1954 GMC M211 6x6 cargo/troop truck. Fully operational, clear title, needs cab top and it has a non-original drivers seat. Asking $3,000, it is located on Hwy 101 just south of Tillamook Ore. Contact Kim if interested phone # is 503-910-3931. 10/12

Do you need to clean up your garage to make room for that new project?

US Navy Postcard John Neuenburg
**KIA Ride-In, Flag Raising Ceremony, Military Vehicle/Bike Show, Swap Meet**

**J&S Surplus & Eagle Iron**

**Saturday, September 1st 2012**

A USA KIA/DOW Family Foundation Charity Event - “Open to the Public”

9am to 6pm. On the site of: J&S Surplus & Outdoor Store.
North Monterey Bay, Highway 1 & N. Struve Road, Moss Landing, CA. 95039

“JUST LOOK FOR THE FLAGS OUTSIDE”

Swap Meet and Ride-In All Day, Live Music & Entertainment, BBQ Food, Drinks & More

KIA Ceremony, Raising of the USA, POW*MIA, KIA & Armed Forces Flags @ 12:30pm

USA KIA/DOW Family Foundation, America Remembers KIA & Eagle Emblems Inc are sponsoring the event. J&S Surplus & Outdoor Store is donating the valuable use of the land in one of California’s most beautiful regions, North Monterey Bay. American Legion Riders and National Spirit of Freedom are major contributors & participants.

All Patriotic Biker Groups are Welcome!

The memorial event is for all U.S. Armed Forces Service Members Killed in Action (KIA) or Died of Wounds (DOW). We also honor our U.S. Citizens and Professional Service Members to include Fire, Police & EMS who because of being Americans were put in harm’s way. We vow to carry-on the legacy of our fallen patriots and show our support to the families that have been left behind! This is an annual event and is open to the public free of charge.

Over 15,000 Military & Patriotic Products Online...Featuring Pins, Patches, Flags, Stickers, Caps and Much More!
