Presidents Message, May 2013

Chalk up another Tower Park to the history books! I have to say that from my point of view this was one of the best attended meets in the 32 years that I've been doing them. There were so few issues that had to be dealt with it was actually relaxing for me this April. I commented to JoAnn that it was the first April in the years I've been president that we've had a Thursday afternoon to sit back and talk to people! Even without the cavalry and helicopter we had a very successful show. My sincere thanks go out to all of you because this is your show, you make it what it is. The board works hard with the scheduling and planning but how the show turns out is up to every one of you. It only takes a bad apple or two to ruin it for others and that just didn't happen. You all bring the Jeeps and trucks and fill in all the voids between the first Sunday and the last. Who could ask for anything more? How we'll outdo this April next year remains to be seen. Stay tuned folks!

This is the month when we celebrate Memorial Day. This is a holiday specifically designated to honor the American service members lost in battle. Started after the Civil War it was originally called Decoration Day and was meant to honor the 215,000 Union and Confederate troops lost in battle. It differs from Veterans Day in that Veterans Day is meant to honor those who have fallen and those living veterans.
There are plenty of parades and events throughout the State that offer us another opportunity to pay our respects to our veterans. Please take the time to show the patriotism that abounds within this club.

2013 is an election year as you may know. The ballots are being prepared and should reach you either with this newsletter or shortly thereafter in a separate mailing. The election committee this election consists of chairman Randy Canova, Ron Hill, and board member Dennis Deck. The ballots will be in your hands the beginning of May and you have until the beginning of June to return them to Randy. They will again be a fold up mailer that is pre-addressed to Randy. He will collect them and the committee will tally them up and transmit the results to the MVCC board in June for us to announce the results and seat the officers on July first. All that is required of you is to mark your choices, fold up the ballot, place a $.46 stamp on it and send it off to Randy. It is not mandatory for you to vote for all positions. You may vote for all of them or only those you are familiar with. Write in spaces will be provided but please ask the person who you write in if they are interested and/or qualified to run. Candidates for the MVCC board must meet the requirements of Section 4.3 of the MVCC Bylaws. Those requirements are that they have been a member in good standing for 1 year prior to the election, have never been convicted of a felony, have attended 1 meet in the past year, and are a current MVPA member.

SUPPORT OUR TROOPS!

Keep 'em Rolling

This Memorial Day, Monday May 27, the largest commemoration in Northern California will take place at the San Francisco National Cemetery in the Presidio, paying tribute to the 60th Anniversary of the Korean War. This 144th annual event welcomes MVers in the short parade from the Parade Grounds (Montgomery @ Sheridan) to the event site. Parade starts at 1030, commemorations at 1100. Event is over at 1200. Arrival by 0930 please. This is one of the most beautiful settings in the state and is a National Historic Landmark District. It contains the graves of more than 35,000 veterans and their family members, dating back to the 1846 war with Mexico. If you can make it with your MV, contact MVCC member Wallace Levin, VFW Ceremony Coordinator, San Francisco Presidio Memorial Day Ceremony. 415-710-5293 or wallace.levin@sfgov.org

In Santa Rosa on Father's Day June 16, 0900-1600, MVers are invited to participate in the 19th Annual Show & Shine Car Show at Julliard Park. This show is sponsored by the Northern California Engineering Contractor's Association, and our friend Glen Ghilotti has arranged our NO CHARGE display. Music, food, raffles, contests, free spectator admission. Flyer and registration form is at www.nceaca.org. Per POC Jim Neider, send it in but do not enclose money. Write, "Refer to Glen Ghilotti" on it. We want to know how many MVs to expect so we can reserve enough space however it's recommended to arrive at 0830 to guarantee parking together. Contact Jim at 707-823-2192. I took the M20 to this event last year and it is recommended.

I recently decided to not run for VP re-election. This is my third tour with gaps in between. I will continue to work as a committee person on MVCC marketing, advertising, will finish the Bylaws and Policies committee project, be our 2016 MVPA Convention Concept Co-Director along with Dave Ball, and be the Camp Delta Activities Coordinator until relieved. Thank you all for your support. Thanks to all who volunteer to serve the MVCC. Remember, your regional VP wants to hear from you. Let's work together to get upcoming event info out to the members.

Hello to all from the East Bay, Camp Delta was all that we expected and more. and how about the T.V. coverage staring the Kurt and Jim Team "'Great." Coming up in May is an opportunity to display our MV's at the Hayward Airport. Military Vehicles have been requested give me a call if interested at 510-522-6440 or Email me for information (backtothe40s@gmail.com) We may be able to convoy if we get enough members.

My 42 Pontiac Staff Car found a new home down South, but no New Bentley yet. That's all for now, Over and Out.

Hello all

Tower Park was a big success this year, with the economy rebounding, so was its attendance. It was good to see so many folks there. A big hooraa goes to Kim and Chris Jorgensen for gathering and setting up the raffle stuff. The live auction was a nice touch as well. But I do miss the dance night, that used to follow the raffle. You saw John Neuenburg everywhere in camp, getting things organized and on time, thank you John. Countless others (like Kurt, JoAnn, Stoney, Nick, Marilyn, Mr. America) make this event what is is, super great. It is election time, time to vote for a representative of your area. Upcoming events in 408 area code, Red White and Blue Parade on July 4th. Let me know if you would like a tour of the MVTF, (cost about $20 bucks per person) with enough folks interest, I'll see what I can put together. Kim

It was another great Tower Park meet. There were plenty of buyers and sellers and this time we were visited by Good Morning Sacramento. If you haven't seen these clips take a look.

http://gooddaysacramento.cbslocal.com/video/8791414-lodi-military-vehicle-collectors-club/
This was personally a triumphant meet as it was the first one in a long time something didn't go wrong with my jeep. It has been running great since the overhaul of my engine by Ron Fitzpatrick and the brakes, transmission, carburetor and clutch by Scott Tanis and Dave Porter.
The national meet is in July at Portland this year. I will be driving from Folsom on Wednesday morning. If anyone would like to carpool and share expenses let me know.
In the Sacramento area there is a group of jeep enthusiasts that has monthly activities exercise their jeeps and share knowledge with each other.. The group is the foothill vintage jeep group.

Hello from the Central Valley.
Well, another spring meet at Camp Delta has come and gone. It was another busy and fun event scoring the deals, catching up with friends, and taking a break from work. I saw a lot of new faces at the show this year and a lot of enthusiasm. As usual, it was hard to keep up as money was exchanging hands and parts were moving. Now we have to look forward to the fall meet at Camp Delta so we can do it all over again. What a good way to kick off the event season.

Speaking of events, there is plenty to get involved with in the central valley this year. We have:

May 18, Chowchilla Armed Forces Day parade (Chowchilla, CA)
May 26, Castle Air Museum open cockpit day (Atwater, CA)
May 26, "Not Forgotten" Memorial Day Weekend (Manteca, CA)
May 27, Flags of our Fathers Memorial Day Jeep convoy (Lodi, CA)
May 27, Memorial Day MV exhibition @ Saint Peter's Cemetery (Fresno, CA)
June 1-2, Eagle Field Dinner Dance & Fly-In (Dos Palos, CA)
June 30, Lodi Freedom Fest (Lodi, CA)

For more info on any of the events, please check out the events page in the newsletter or the events page at mvccnews.net.

MVCC BULLETIN BOARD

MVCC Going to MVPA Convention in Portland
By John Neuenburg
The Military Vehicle Preservation Association National Convention is coming to Portland, Oregon, July 25-27, 2013. Are you going? Bringing a MV? We will have an MVCC info table in a prime location. At least a few of our officers will be going, and Convention co chairpersons Dave and I will be presenting the MVCC 2016 Convention proposal to the MVPA Board. If you would like to man our club table and hand out flyers for an hour or two, please let Dave or I know.
The club table is a good place to rest and recharge and meet MV collectors from all over the world. So please come on by and support your chapter.

South Seas Luau Planned for September Camp Delta
Time to trot out your aloha shirts, muumuus, and khakis as we fight the "Battle of Waikiki Beach" on Friday night September 20, 2013! It's time for a themed dinner party and what could be better for a warm late-summer evening at Tower Park?
No we won't be burying a smoldering pig in the peat dirt, but expect better than fried SPAM!
So dust off your coconuts and grass skirts, Ho'olu komo la kaua

Jerry and I went to Ronald McDonald House in Sacramento on April 6 and delivered 22 pounds of can tabs to them. McDonald house turns them in for cash that then offsets the cost of staying at McDonald House for the parents when their children are in the hospital or under treatment. We would like to the thank the members of the MVCC for their part in saving can tabs for us to donate. Tabs come from aluminum pop and beer cans, vegetable and fruit cans, pet food cans. Please save them for us and give them to us at the meets. We and Ronald McDonald House appreciate the
donations. Remember, when you open the can, you already have the tab in your hand. Just pull it off and save it. Jerry and Donna Mambretti

2013 CAMP DELTA SHOWCASE AWARDS

On behalf of the MVCC membership and the attendees of the 2013 Spring Camp Delta event at Tower Park, we would like to thank Chuck Heindel and Surplus City Jeep for sponsoring the USN & USMC Vehicle Showcase at the 2013 Camp Delta at Tower Park event. We believe your support helped bring a 38-vehicle display that was larger than any of us expected!
Results of the People's Choice Contest were as follows:

First Place - $150 prize
Dusty Smiley, 1942 International M-2-4 USMC truck

Second Place - $100 prize
Paul Turounet, 1942 Willys slat grill with dump trailer, USN Shore Patrol

Third Place - $75 prize, and a tie between
Greg Lampman, 1942 Chevrolet K51 1.5 ton panel truck, USN
Mark Tombleson, 1944 Willys MB / MZ-1 radio jeep, USMC

Voter Door Prize - $50 based on drawing one ballot from all ballots cast.
Matt Walker, campsite 304, 602-677-1735. Apparently a past customer of yours. Check delivered that day.

Your $75 check for Third Place prize will be deposited into the MVCC account. On 4/19 the MVCC wrote two checks for $37.50, and paid Mark on 4/20, and Greg's was mailed 4/24/13.

Thanks again for your support of our event!

Kurt and Joann,

Cheryl and I just wanted to say thank you for having us join your great event. We loved having the beer cart and food for you all.

We also want to say thank you to all the MVCC participants that came up to Rosa's at Tower Park for food, fun, drinks and dancing. It is a pleasure having your group.

For Sale:
Athey Hand-Crank Bomb Crane on Athey Tracks. $2500.
Antenna Tower, 50' trailer-mounted 3-section telescoping TRI-EX steel antenna tower model HZN 354. Approx. 30' OAL when lowered for travel, 50' tall when raised and extended. Can be removed from the trailer if desired. Was originally set up with a generator, lights, etc. Originally designed with a cable & pulley system to raise the tower, and then to extend the 3 sections, but cable and winch are now missing. Pulleys in the tower sections are all there I think. Pintle or pin-type hitch will pull this trailer. No title, license plate, lights, etc. $600.
(2) 1950 Budd wheels, 6-lug 20" M-series bolt-together or combat-style (with old 1200-20 tires).
Chevrolet & GMC WWII truck parts, call or email what you need.
Dodge M37 parts truck, good running correct original T245 engine, 4-speed transmission with PTO, 2-speed transfer case, (some drivelines are missing, and I am told the front axle is not the correct one: out of an M715 (?) Brake condition unknown. No bed. No title. $800.
1953 Dodge M37 or M56(?) Military 4x4 Fire truck. Correct original 6-cylinder T-245 flathead engine, 4-speed transmission with extremely rare Tangen power take-off located on top of the transmission. Approx. 128" original extended wheelbase. I am told this was running when parked - have not verified that yet. According to one source, only 130 of these were made, but it also says in 1955, and this is a 1953. Tires are all rotten. Back of truck is completely open with none of the original tanks, pump, or any other fire equipment. Looks like a set of ladder racks on the RH side. There is some body damage on the right rear. This was very nicely built with some use of aluminum.
Dodge M37 parts, call or email what you need.
Navy Trailmobile Tank Trailer, 2-axle pull-type steel tank trailer for fuel or oil(?) Pintle hitch, steering front axle, spring suspension, solid brass top hatch/lid. $600.

MVCC 2013 OFFICER ELECTION

In this newsletter you will receive a ballot to vote for your 2013 MVCC officers, This area in the newsletter has been set aside for candidates to post some information about themselves and their involvement in our hobby. Please take the time to vote. This is your club and it needs people like you to keep it running smoothly. Remember return your ballot.

Scott Rohrs is running for the VP North Bay West Board Position.
My interest in military vehicles started when I was a child. My grandfather owned a 1942 GPW (script). I grew up with that jeep. When my father passed, I inherited that vehicle. My father became a member of the MVCC in the early nineties. We participated in many events in Marin and Sonoma. I joined the Club in 2004 when at the time I was restoring a 1945 GPW. Since that time I have owned a few military vehicles. Right now I own that 42' GPW, a 1943 Bantam Trailer, and my latest project is a 1940 Dodge WC3. I started my own living history and Reenacting group in 2004. The Northern California 3rd Infantry Reenactors (3rd Reconnaissance Troop) have participated in many events since 2004. Although I have never served in the military, when asked, I say "I did everything except sign the papers". I did 4 years in the Air Force ROTC and was in the Marine Corps Devil Pup Program. I am a Civil Servant in my professional career. I am a Capt. for Cal Fire in Northern Sonoma County. I live in Napa and have a 3 yr. old son, Wyatt. In short, I am dedicated to preserving the history and honoring the Veterans of this great nation of ours. May God Bless the USA, Scott Rohrs

Dave Porter is running for the VP Northern Region Board Position.
I live in Shingle Springs, near Placerville in El Dorado County with my wife, Nancy. We have two sons, one in Montana and one at home. I'm a Civil Engineering Consultant in my day job and a confirmed WWII / Military Vehicle Enthusiast (nut) the rest of the time. I served in the US Navy as a jet engine mechanic (ADJ3) from 1972 to 1975. I still own my first car, a 1946 Willys CJ2A. I've been a member of MVCC for about seven years and involved with collecting and restoring military vehicles for the same amount of time. I'm also a member of the MVPA and the NRG (Northern Recon Group), and a prospective member of the Foothill Vintage Jeeps. For special events in my neighborhood, I coordinate the El Dorado Motor Pool, a detachment of the NRG. I participate in many MV events throughout the year, including parades, shows, campouts and displays. My first military vehicle restoration project was a 43 GPW "Holden" ambulance jeep, seen running around Camp Delta with USMC Iwo Jima camouflage. My collection of military vehicles includes a '44 Willys MB, a '45 Studebaker Weasel, and a '43 Ford GTB "Burma Jeep". A '45 DUKW (Duck), a '44 GTB, a '43 CCKW LeRoi compressor truck and a '43 GPW are under restoration. Several other "projects" in the collection keep me busy with research and parts collecting. Keep 'em rolling! Dave Porter

Step back into the 1940's at this wonderful WWII Army Air Force Base, which is under continual restoration. See and hear the many Vintage Aircraft, including B-25s, T-6s, Stearmans and etc. See realistic WWII re-enactors, Military Vehicles, a Museum and experience the sounds of a fantastic 18 piece Big Band playing authentic arrangements of bands like Glen Miller and Tommy Dorsey. Take a tour of a battle field in our WWII bus.

Enjoy a 1st Class semi-formal dinner in an atmosphere reminiscent of the era. Guests are encouraged to wear period clothing, and dancers are encouraged to participate in the very exciting swing dance contest. Bid on interesting items at the silent auction.

We have been doing this dinner, dance and fly-in for 28 years, and it only gets better!

Please join us and bring your friends.

AFTER ACTION REPORT

Hello, I say to everyone in the North Bay and beyond. I want to report on the Bluesprings ranch outing that took place on March 17, two days after the April newsletter articles were due. However, WOW! What a day. Jim and I arrived around 1000 hrs. Some were already there. The Privat's were gracious host as always. The weather was awesome. Daniel, Michele, Caleb, Nathan and Elia Privat's, Peter and Ali Fraser, Rory Burk and Michal France met us when we got there. A little later David Anderson, an ATHF, member came in with his fifth wheel tractor. Then Jon McKee came in by way of his OH6A Helicopter. As our day moved on it just got better and better.

Daniel, driving his ten wheel wrecker, led us on a slow guided tour of trail riding up and down many new and old trails around a hundred and fifty or so acres with trees, bushes, rocks and wild life every were. Michele in her M170 and Elia brought up the rear being sure no one got lost. During the tour, we had to stop so Daniel and Caleb could trim some branches as to make the path a little wider for David's fifth wheel and Rory's supper clean WW2 cargo truck. If you have never been to the Bluesprings Ranch, you just have to go next year.

At the top of what they call a mountain is a picnic area were everyone had lunch and looked over the valley and the Dam wile the kids enjoyed them selves jumping up and down on old mattress springs. Daniel pointed out to everyone some of the more interesting areas around the field of view. Rory held a (NBMVC) club meeting and talked about some of their groups events, some people injected some useful info.

My WC1, 1941 Dodge ran great the entire day as well as did everyone else's vehicles. After lunch we all went back down the mountain on some new and old trails. Now back at Bluesprings Ranch HQ. We all said our salutations then headed to our own HQ's. It was a Great day, with great people. I hope more people come next year.

For more info on this event, please see page 9 of last months Newsletter ISSUE #3.

Camp Delta Spring 2013 Awards & Recognition
By John Neuenburg

Last year we started giving awards to people making a major effort to attend our Spring and Fall swap meets. This April, here is how it stacked up based on people seeing word of these contests on the event flyers and signing up at the MVCC tent.

If we missed you it's because we are not mind readers. Let me know and we'll mention you next month.

Longest Distance Driving a MV – Kevin "Carnac" Sharp drove his 1009 CUCV with trailer from El Paso, TX 1203 miles!

Longest Distance Bringing a MV – Nobody entered this category but we saw MVs from SoCal, Oregon, & Nevada.

Longest Distance Travelled – David Good journeyed from Alberta, Canada, but rumors of an Aussie in attendance need to be confirmed. Efforts were made to spot "Frank the Viking" from Norway but we were unsuccessful.

Honorable mention for the "Driving" honors goes to Roberto Mossier, driving his WC-54 ambulance 930 miles one way from Vancouver, BC, Canada!

The Hard Luck Award went to Jim Bundgaard for shearing bolts off his 1.5 ton Chevy rear axle flange during an emergency stop maneuver west of camp, and watched in his mirror as his axle pulled out from the truck. He front–axle drove it, and obtained some bolts from a local farmer who stopped to assist him and to point out his rear drive axle shaft was sticking out into the oncoming lane. Could be Kevin could have taken this award had we known about what he had to go through on the run from El Paso. Thanks to all who made their annual pilgrimage to the largest annual MV event in the Western U.S. As people notice we recognize this effort hopefully more will put their names in to be recognized for there efforts.

Please remember to do so for the September version of Camp Delta.

As usual we also recognize Janine McCluskey for organizing another **Madame's Afternoon Social**. This Friday afternoon event is greatly enjoyed by the ladies. Also thanks to Michele Privat for hosting another **Scrapbooking Seminar** in her campsite, Jim Bundgaard for the **Camp Patriot tent display**, Tim Sammons for his small but nice **Battalion COMM Center** radio display and for sharing his expertise.

Steve Andereggen for hosting the **halftrack discussion group**, the Coopers for hosting the **MVCC coffee and treats tent**, and the several groups who set up various tentage/kit and living history displays that improve the grounds.

MVCC officers and committee people put in a lot of work to make the April event happen, especially **Jo-Ann Lesser** for organizing the camping. This event would not be nearly as organized without that kind of effort. Thanks to Kurt for being "where the buck stops," to Chris & Kim Jorgensen for running the MVCC Quartermaster sales operation AND the Pavilion Decoration Committee AND the MVCC Raffle! Kim Sie-vert did a great job announcing the Raffle. L-K Viola was busy signing up and renewing members for days and thanks to other Officers who helped out in the MVCC tent. The first person I thanked when I arrived on Tuesday was **Mitch Haik for again doing a great job erecting the street signs** plus posting various other signage around the property, all prior to the event. Can't wait for the next one!

I hope to see everyone in September. Bring your Hawaiian Shirts and we will resurrect the best and worst or ugliest Hawaiian shirt contest. Coconuts and grass skirts are optional. But please wear them if you got them!!!

Camp Delta Vehicle Showcases a Wild Success

By John Neuenburg

The Tower Park display field was ablaze with forest green and navy gray on Friday morning as 38 vehicles came out of the woodwork for the USN & USMC Vehicle Showcase. POCs Stoney Brook and Paul DeNubilo organized a very smooth display. The guys pre-registered nearly all MVs in the days prior to the display, getting details from the owners and guaranteeing no registration traffic jam entering the field. A great way to plan it! People's Choice votes were cast and the winners won cash sponsored by Surplus City Jeep Parts. Thanks to Chuck Heindell for making that happen! Prizes were $150/100/75 with the $75 split due to a tie for third place as shown below. Participants also received a commemorative certificate. One voter, Matt Walker, won a $50 door prize based on a drawing from ballots cast. It pays to vote. Stoney made great signs advertising the details and we received help placing the MVs from some living history reenactors. Ace photographer Chris Hughes documented the display and said he will be submitting an article to *Supply Line*. Did you know Camp Delta receives national magazine exposure? MVPA members should watch for that. Thanks to all who participated in yet another great Camp Delta showcase!
